

Tactics 101

IOAI Team USA '26 training lecture

Quick intro

Team China IOAI '24

Scientific Committee IOAI '25, USAAIO '25 '26, NOAI '25 '26

USA Coach IOAI '26

You've done two of my problems this year :)

Why?

1. Possible organizer difficulties

1. Possible organizer difficulties
2. Time management in IOAI might inherently be harder

1. Possible organizer difficulties
2. Time management in IOAI might inherently be harder
3. Result: high observed variance (comp results to skill level)

Individual round tactics

1. Running the baseline

1. Running the baseline
2. Quick verification runs (proof of concept)

1. Running the baseline
2. Quick verification runs
3. Try every hacky solution

1. Running the baseline
2. Quick verification runs
3. Try every hacky solution
4. Universal time management strategies

1. Running the baseline
2. Quick verification runs
3. Try every hacky solution
4. Universal time management strategies
5. Use the leaderboard (optional)

Thanks :)))
